# CFH Series

## Equipment Benefits

- Heavy gauge, stainless steel construction for strength, rigidity, cleanliness and minimal maintenance
- Uses a single film roll without film waste
- Runs clear, random or print registered film
- Quick, tool-free forming plow change out eliminates time consuming and costly operator adjustments and maladjustments
- Self-leveling, Teflon® coated, hot knife seal bar assembly
- Polycarbonate enclosures ensure safety and provide quick access
- Engineered as a complete unit with a double insulated tunnel that reduces energy consumption
- Quick changeovers
- PLC with touchscreen interface
- Stainless steel, solid rod tunnel conveyors, free of belts or coatings
